WHAT IS AN IMPERIAL AUTO SERVICE PLAN?

Our Imperial Auto Service Plan offers you a convenient way of budgeting so that you can spend less time worrying about the costs of taking care of your vehicle and more time enjoying the open road.

This plan pays for the *OEM specified aspects of the recommended OEM's service schedule.

All scheduled services must be performed by an Imperial OEM approved repair facility, for a specific period of time or specific distance travelled - whichever happens first.

This plan cannot be purchased together with a Maintenance Plan.

*OEM is the original equipment manufacturer of a new vehicle, who manufactures the original parts and components used during the construction of your vehicle. In certain countries, the OEM is often represented by an Importer of a specific brand of vehicle.
